

Enclosed is our current programme with a list of walks for the next six months. You are welcome to accompany us on one or two of these before you decide whether to join. The annual subscription is £5 (25p for junior members of families), and then you will receive more comprehensive details of the walks programme and of the group.

We try to arrange a variety of walks of different lengths and difficulty to suit as many members as possible, whilst, at the same time aiming to:

- a. To provide a varied programme of walks for walkers of all abilities. The programme to include walks in the local area, surrounding area and other areas known for their outstanding walking country.
- b. To walk the public rights of way in the Gordano Valley to prevent them falling into disuse and to assist other organisations in safeguarding them for future generations.
- c. To endeavour to organise at least one walking holiday per annum and one social event
- d. To observe the Countryside Code at all times.

Walks can be on any day of the week and of varying lengths.

Short walks are about 4 to 6 miles.

Long walks are about 10 or 12 miles and often further afield.

For most walks we meet at the back of Lidl car park in Portishead at the time stated on the programme, and we car-share to the start point of the walk. Passengers are asked to share petrol and parking costs.

Please appreciate that footpaths can be very muddy, especially in winter, and overgrown in summer, so it is essential to wear suitable footwear and clothing. Dogs are welcome on walks at the discretion of the walk leader, but they must be kept on a short lead and under close control at all times.
